ORBEL membership fee 2016

Brussels, February 2016

Dear member,

We hereby want to remind you of your ORBEL membership fee for the year 2016. This is the primary source of income for our society, and provides you a free subscription to our journal **4OR**.

Note that if you took part in our ORBEL congress on January 28-29, 2016, your membership fee was included as part of the standard registration fee to the conference, **except if you are part of an Institutional membership, which is to be payed separately, in response to this call.**

The following membership fees hold for 2016, by decision of the last General Assembly.

personal membership 55 EUR

student / retired 30 EUR

institutional 50 EUR per person, grouped payment for 3 persons minimum at a same address

Note it is possible to include also the fees for 2017, at the same rates.

We hereby kindly request you to make your payment to the ORBEL account

ING 320-0858755-84 (IBAN: BE03 3200 8587 5584 —BIC: BBRUBEBB)

clearly specifying 2016, and your name in comment (ALL names of concerned members for an institutional membership)

For payments from outside Belgium, please make sure that you make a *net transfer*, taking all bank charges on your account.

Important remark: Memberships are NOT SUBJECT to VAT and ORBEL has no VAT number anymore.

In case this is a new membership or your personal data have recently changed, please fill in the correct data below (one copy per person in case of institutional membership). Send this form to :
